XXL	\$10,000	4000	\$2.50	180	20,000	\$60,000.00	\$66,666.67

- Over 4,000 reports per month, each report is \$2.00.
- Standard, once-off connection and mapping fee per machine to MIDAS is \$960.00. Additional Doctor reporting licences \$960.00 each.
- Packages are for a minimum of 3 years and are billed monthly in advance on the first day of the month.
- Any unused reports are cancelled at the end of each month.
- If the number of reports in the monthly package is exceeded in any month, then the customer will be charged the next lowest subscription package report cost for the remainder of that month. e.g. Using the L package and 600 reports are done in a month, then the 30 extra reports are charged at the XL rate of \$3.00 each.
- Interpretive Reporting Modules are available for a wide range of examinations.
- Standard report output formats include XML, PDF, Word, RTF, etc. HL7 connection option is \$5,760.00
- Using MIDAS Interpretive Reporting Platform provides the following benefits: Saves on average 2 minutes per report per reporting clinician, 5 minutes per study report per sonographer, no typist needed, paperless workflow. Cloud hosting means no local server required, no IT support, no administration, etc.
- All pricing is excluding GST.
